Honors, Offices, and Awards

Named as an ICA Fellow by the International Communication Association, 2024.

According to ResearchGate.net, a website that measures the productivity of scholars, in 2025 Grunig has a Research Interest Score (based on number of reads and citations) of 10,095, which is higher than 99% of all ResearchGate members, 96% of ResearchGate members who first published in 1966, and 99% of researchers in the area of communication and media.

According to the Stanford/Elsevier's Top 2% Scientist Rankings, in 2024, Grunig has consistently been recognized as one of the Top 1% most highly cited scientists since 2020, both in terms of career-long and single-year citations. The rankings are based on a comprehensive set of metrics, including standardized information on citations, h-index, co-authorship-adjusted hm-index, citations to papers in different authorship positions, and a composite indicator. These metrics have been well-received in the academic community for their robustness and accuracy in evaluating scientific impact.”

Festschrift in honor of James E. Grunig and Larissa A. Grunig held in Bled, Slovenia, in July 2012. Proceedings public in the book K. Sriramesh, A. Zerfass, & J.-N. Kim (Eds.) (2013). *Public relations: Current trends and emerging topics*. New York: Routledge.
